Operable Unit No. 15 Draft I RCRA Facility Investigation/Remedial Investigation

Autar Rampertaap, Chief, Rocky Flats Branch, EM-453, HQ

Enclosed please find the Operable Unit No. 15 (OU 15) Phase I Draft RCRA Facility Investigation/Remedial Investigation (RFI/RI) Report. The document is being forwarded for your information. This document was formally submitted to the Environmental Protection Agency (EPA), Region VIII and the Colorado Department of Public Health and Environment (CDPHE), on July 25, 1994, one week prior to its Interagency Agreement Milestone Date.

We are again utilizing the parallel review process in order not to impact the submittal of the OU-15 Phase I Final RFI/RI Report on January 4, 1995. In order to accomplish this, we have requested that EPA and CDPHE return their comments to this office by September 8, 1994.

If you have any questions or concerns, please contact Dr. W. N. Fitch of my staff at (303) 966-4013.

Thank you for your continued support.

Frazer R. Lockhart
Director, Environmental Restoration
Major System Acquisition
